WORD: Love is not feelings or natural desire to treat someone nicely with the motive of getting something in return. Love is the practical display of God's nature to humanity. Love is God's nature and God is love personified – **1 John 4:8,16**. When love is on display, God is on display.

God demonstrated His nature of love by putting everything in place in order to reach out and save the lost - **John 3:16**. We love people when we give them what God is willing to give them - **Ephesians 5:1-2**. When you do all within your reach to see that hell is depopulated and heaven is populated through you, then you know you are walking in love.

We have the mandate to reach out to others, in expression of the love we have received from God – **Mark 16:15, 2 Corinthians 5:19**. We owe God the duty to extend His love to the unsaved, our new converts and first-time worshippers through our preaching, gifts, prayers, biblical counselling etc.

TARGET SOULS TO REACH OUT TO

- All new converts and first-time worshippers within our reach.
- Souls we have been preaching to, inviting or asking to fellowship with us in church.
- Those who have fellowshipped with us before (In the church or cell fellowship) but have not being regular.
- Aggrieved/lukewarm members.
- Backsliding Christians around our neighborhood including non-members.
- The indigent around us (this should be based on the strength and capacity of the cell center).

Brethren, let us obey God's expectation as recorded in - **1 John 3:18 - My little children, let us not love in word, neither in tongue; but in deed and in truth.**

Let our presence, presents, prayers etc be felt by especially these ones named above; then we can be sure we are expressing the Love of God to the world around us.
