WORD CHARGE: John 4:36a (NLT) - "The harvesters are paid good wages, and the fruit they harvest is people brought to eternal life" When you are actively engaged in soul winning, you are on God's payroll and your reward is beyond measure.

Sustaining the harvest simply means the preservation of ripe fruits (harvested soul) in order to prevent them from getting corrupt or spoilt. John 15:16 (READ) - We have been chosen to bear fruits and these fruits should not perish. A wise farmer considers the act of preservation more important than the act of harvesting in order to prevent unprofitable labour.

That you invited someone to church alone does not make you a soul winner. You still have to engage spiritual and physical measures to ensure that the soul receives salvation, becomes active in cell fellowship and service unit.

TOOLS FOR SUSTAINING THE HARVEST

1. PRAYERS: We must uphold them in fervent prayers until Christ is formed in them - **Galatians 4:19.** Jesus prayed for the souls the Father gave Him to be kept - **John 17:9,12.** So we have no choice but to follow His example.

Why We Must Pray For Souls to Be Established In the Church (Salvation Ministries)

- a. So that none of the souls God has given to us will be lost to the devil - **John 18:9**
- b. Because the devil and his agents are constantly longing to steal away the word of salvation in their heart so that they will go back into the world - **Luke 8:12.**
- c. So they can stand strong in the midst of persecution without falling out of faith to embrace the world - **Romans 8:38-39**

2. VISITATION AND FOLLOW UP: Many of us win souls that do not abide in Salvation Ministries because our visitation and follow-up pattern is inadequate. Visitation or follow up must be persuasive, rugged and consistent until the souls are all established in the church - **Luke 15:4.** A wicked mother is the one that carries pregnancy, delivers the baby safely in the hospital and abandons the baby.

Things you should know about Visitation and Follow up:

- a. Visitation and Follow up is for all believers.
- b. Keep the visit or follow up short, direct and sharp. Avoid lengthy and boring visit that are capable of turning you into a nuisance.
- c. Learn to greet, be pleasant and friendly in your approach with lots of smile on your face.
- d. Pray short prayers and share with them testimonies of what has happened in the church to boost their faith.
- e. Don't go for visitation or follow up with a wrong motive - **2 Chronicles 25:2**
