WORD: Soul winning is the act of preaching the Gospel to an unsaved individual in terms they can understand; that through the help of the Holy Spirit, they will accept Jesus Christ and become His disciples. Soul winning is starting a conversation with an unsaved person and sharing God's plan of salvation with him so he will clearly understand how he can receive Christ as his Lord and Savior.

Luke 19:10 (Read) Jesus came to seek out and save the lost world. God treasures the souls of sinners - **John 3:16**. Until you treasure what God treasures, you don't become a treasure in His hands. Soul winning is the primary obligation of every Christian. We are to win the lost at all cost and by all means - **1 Corinthians 9:20, 22**. You must do all within your reach to see that hell is depopulated and heaven is populated through you. Employ every genuine idea, skill, ability, finance, etc motivated by the love of God to save the dying world from their sins.

How to Present the Gospel to the Unsaved:

1. Be friendly and cheerful – Develop a sense of humor; be quick to listen and allow the person to express himself.
2. Be modest in your dressing
3. Show genuine love: Present the Gospel with love and be practical
4. Relate to the person based on his or her situation.
5. Always leave a church material with the person.

Our converts and first-time worshippers need to be visited until they are rooted and grounded in the faith and in the Church (Salvation Ministries) – **Acts 15:36**. Follow up of new converts and other members of the cell fellowship sends a signal of care, a sense of belonging and encouragement to new converts, first time worshippers and those that no longer show up in the cell fellowship. God expects us to care for the souls we have won until Christ is fully formed in them - **Galatians 4:19**. Visitation or follow up must be persuasive, rugged and consistent until the souls are all established in the church - **Luke 15:4**.

TESTIMONY

TONYE C. Prior to this time I noticed all the souls I win to Christ are never established. I became troubled and searched for a solution. I engaged in mid-night prayers regularly and prayed earnestly for those souls to be established in Salvation Ministries. I was led to praise God for one week and I obeyed. Today, all souls I won are established, some are even in WOLBI. I give God the glory.

- Altar Call -

Prayer Points for Soul Winning and Follow up

1. Thank God for the souls that have been saved and the ones to be saved today – **Luke 19:10**
2. Ask the Holy Spirit to take pre-eminence over this Soul Winning and Follow up exercise for the massive harvest and establishment of souls in Salvation Ministries. **Isaiah 32:15**.
3. Cast out Satan and frustrate his agents from attacking, resisting or distracting anyone going out genuinely for Soul Winning and Follow up. Pray for fresh impartation of power and boldness for signs and wonders as we step out today and always. **Luke 10:19, Mark 16:20**
4. Cast out Satan from hardening the hearts of people to our invitation, preaching and call to salvation as we step out today and beyond. Pray for the genuine conversion and establishment of every sinner that comes in contact with Salvation Ministries. **Ezekiel 36:26b, John 16:8**

***NOTE:** No one should come back to the cell fellowship after the follow up and soul winning exercise.
