WORD CHARGE: Praise is appreciating God for who He is, what He has done and what He will do, in words, songs, clapping and dancing. Praise is an expression of admiration, approval and commendation towards God. It is making boast of the majesty of God - Psalm 34:1-3 (READ).

Increase means to become bigger, greater, larger or more numerous in amount or quantity.

Praise for Increase therefore means appreciating God for who He is, what He has done and what He will do, in words, songs, clapping and dancing for God to make bigger, larger or greater what He has done or intends to do for us.

God does not increase; He remains the same but He increases things. God is the source and giver of increase - 1 Corinthians 3:6. When we praise God, He is motivated to give us increase in any aspect of life we desire increase - Psalm 67:3-7 (READ). If you want to live a life of increase, then you must apply the force of praise. Everything that makes life comfortable is from the earth but the earth will not yield her increase until you praise God.

WHAT TO DO TO COMMIT GOD FOR INCREASE WHEN YOU PRAISE

1. Never despise the little available - John 6:8-9:
2. Always be grateful to God for what is available - 1 Corinthians 4:7
3. Avoid wasting the little available - Proverbs 21:20

Avenues of Waste: a. Comparison and competition - 2 Corinthians 10:12

b. Addiction to tradition - Mark 7:9,13

c. Gambling (Naira Bet and all betting/Pool stakes): Gambling is an express road to an empty life.

In this year of winning, you will not lose any battle. You shall go from victory to victory in the name of Jesus Christ!
