TESTIMONIES: Mr & Mrs Duson *Cell Center* Rukpokwu PHC from Mrs Dumbari Duson, last Tuesday, I was having severe pain in my lower abdomen and I am pregnant. I asked the home cell members to pray for me, the following day, I went to the clinic, and my baby was fine but the doctor prescribed a lot of drugs for me due to the pain. I decided not to buy the drugs but pray about it, believing God for my healing. Throughout Wednesday when I got home from the clinic, I started singing praises to God. I woke up on Thursday, and discovered that all the pains had vanished. Glory to God.
